Yearbook

The Yearbook membership changed many times during the school year, but one student remained since day one: Adrian Robles. As the lead student for Yearbook, Adrian took on a bulk of the photography and assisted with layouts. Yearbook was led by Graphic Artist Nolan Smith, and included members: Pablo Martinez, Angela Moreno, and Blake Butler. Yet, assistance came from other as well, including Travis Ratliff, who did the majority of photos for the Hesperia site, Daniel Udell, Chris Kalis, Mickey Gonzalez, Andras Vega, Daron Jones, Kenneth Zieren, Nancy Escobedo, and more.

A big thanks to the Yearbook staff and all those that helped in the creation of this
