You Give 100%
We Do Too!

One Hundred Percent of your donation to Children's Fund goes directly to serve at-risk children.

Children's Fund was created in 1986 to call to action private businesses, non-profit organizations, and concerned citizens to form a public/private partnership. This partnership provides Children's Fund an administrative overhead from the County of San Bernardino, so that every dollar raised by the Fund goes directly to a child in need.

Children's Fund serves children in three fundamental ways:

Daily Referral involves processing urgent requests made by case managers and social workers.

Community Outreach involves funding local projects and our annual toy drive.

Proprietary Projects such as Endowment Scholarships and the Children's Fund Assessment Center.

Our mission is to prevent child abuse in our community; to ensure that at-risk children who are abused, neglected, impoverished, or abandoned receive adequate food, shelter, clothing, medical care and education; and to provide equal opportunity for social development for these children.
