Elections and debates were held for the MBYC Student Government. At the end of the day, a strong core of dedicated students stood ready to help their fellow students make this year the best one yet.

The MBYC Student Government accomplished much in the school year. From handling the recycling duties for a day at the Adelanto Grand Prix, recycling at the Cinco De Mayo Celebration at Victor Valley College, to raising funds by pizza sales, car washes and more in order to aid in the creation of events like Prom 2009 as well as Grad Night 2009.
