I'll Be Back Before Midnight

By Peter Colley

A couple from the city rents an old farmhouse in the country. Their dream of quiet becomes a nightmare when they find out about a murder in the house and the vengeful ghost that is reported to stalk the night. Laugh-out-loud funny and scream-out-loud scary. Not recommended for children (or the faint of heart!). This show plays at Mount Tabor Playhouse in Milford.

Tempting Providence

By Robert Chafe

Myra Bennett, a young British nurse, arrives on the rugged shores of Newfoundland in 1921. No roads, no electricity, no doctors for miles. She signed on for a year and stayed for a lifetime. A spell-binding tale of strength and heroism told with humour and elegant simplicity. This show plays at Fields on West Lake in Bloomfield.

Amelia: The Girl Who Wants To Fly

By John Gray

Amelia Earhart rose to unimaginable heights, literally and figuratively. This new musical from the writer that brought us Billy Bishop Goes to War, re-imagines her meteoric rise from the "girl next door" to the iconic first woman in flight. Inspiring, insightful and entertaining. This show plays outdoors under a grand tent, at the Waring House in Picton.
