# GREEN PROJECTS START AT BUILDING VALUE

**Cincinnati's favorite building materials reuse center**  
RETAIL OUTLET  
DECONSTRUCTION SERVICE

Building Value benefits the **environment**, trains **people** and gives **architectural gems** a **second life**.

## Each Year Building Value:

Keeps **thousands of tons** of material from entering local landfills

Provides property owners a **low-cost alternative** for building supplies and maintenance

Trains people with disadvantages or disabilities for **employment**

Building Value partners with the community to promote **environmental sustainability** in our neighborhoods.

**Open to the Public in Northside:**  
**4040 Spring Grove Ave.**
