Guitars In The Classroom is a non-profit organization that provides innovative musical training for classroom teachers so all students can experience the joy and essential benefits of making music. Its programs deliver ongoing instruction, access to instruments, and educational materials that weave music across the academic curriculum in sustainable, grassroots programs, nationwide. For further information or to get involved, please contact GITC at 858-755-2239 or go online at [www.guitarsintheclassroom.org](http://www.guitarsintheclassroom.org).

GUITARS  
IN THE CLASSROOM

A portion of the proceeds from the sales of *The Green Songbook* will be used to fund GITC's free teacher training programs in Hawaii, California and throughout the U.S.
