## Summer Adventures 2010

Dear GSA 2010 Families,

Welcome and thank you for taking the time to check out GLO Summer Adventures' 2010 brochure. Whether you are a new family or a returning one, there has never been a better time to be a part of our summer adventures! We have exciting new programs that fit the needs of every child. This year we are able to continue with consistent and quality leadership while creating additional elements to our summer programming. Here at GLO it is our mission that children learn through play and positive experiences and during the summer we have the opportunity to take those experiences to exciting new levels! This year we have a lot more to offer with our summer program. In addition to the **5 interest zones, awesome afternoons, and the Young Leaders' Circle we have more convenient choices for parents, weekly celebrations, and more time in the great outdoors!** We are confident that GSA 2010 will be your child's most unforgettable summer yet. We are committed to providing the opportunity for your child to build friendships, sing songs, do art projects, play sports, go on community hikes, learn philanthropy, and make exciting scientific discoveries all during weekly GLO adventures!

We know that you have a variety of summer choices in the Bay Area and we are honored that you are considering GSA 2010. Have a great summer!

Sincerely,

Jessica Harmon  
GSA Program Director

Simon Lee  
GLO Executive Director

### Family Showcase:

This summer we are excited to invite you to a weekly Family Showcase held every Thursday from 12:00pm-1:30 pm. The Family showcase will be a fun occasion for your child to show you what he/she has learned each week, sing songs, eat lunch and play games. This will be an experience the whole family can enjoy!!

### Credit Card Payment Options:

This summer you have more than one option to pay for our programs. In addition to paying by check you are able to fill out a payment form with your credit card information to be debited automatically from your account by the start of program or you can come to the GLO office at 1560 Noriega Street, Suite 206, San Francisco, California 94122 and swipe your credit card by the start of program!

### Healthy Lunch Option:

GLO hopes to partner with Kid Chow, a kids' school lunch and camp lunch caterer, to provide delicious, nutritious, meals to your child. Kid Chow offers both hot and cold lunch options everyday with food your kids will love! Check it out online at [www.kidchow.com](http://www.kidchow.com).

*\*GLO is not affiliated with Kid Chow and is solely citing this vendor as an alternative to parents for summer program lunch service. GLO does not assume responsibility for the vendor's performance in any way, including but not limited to any liability for the vendor's products or operations. A minimum enrollment of 30 is required by Kid Chow in order to begin the program.*

# Meet The GSA 2010 Staff

## Program Director

Greetings! My name is Jessica Harmon and I am the GLO Summer Adventures Program Director for 2010. This is my second year with GSA and I could not be happier to return for another year of excitement and adventure. I am proud to announce this is my 10th year working with summer programs including: preschool camps, zoo camps, traveling camps, and GSA! I truly believe that GSA is the best summer program around because it offers a variety of choices that create opportunities for growth, learning, and most of all fun! The summer is my favorite time of the year because we all have the chance to spend time outdoors, sing songs, go new places, and make new friends!

## GSA 2010 Program Staff

Great programs begin with our Program Staff who reflect the cultures and languages of the community we serve. The GSA Staff represents the core of our mission to provide quality programs for children. To make good on this mission, GSA takes extra efforts to invest in staff success by ensuring safety and providing professional development.

### Week 2

06/21/10-06/25/10

### GPS Treasure Hunt

This modern-day, high-tech treasure hunting game uses GPS units to help find caches hidden across the world by fellow game players.

Children will embark on daily treasure hunts around campus and the neighborhood using the GPS units provided. They will also get the opportunity to hide caches around the campus and make their own maps to find them.

Other topics include topographic map reading, compass use, creating a cache, hiding a cache, finding a cache, and more. This week will give you the chance to compare traditional maps to modern GPS devices.

### Week 3

06/28/10-06/02/10

### Archaeology

We will have a make believe dig where we will unravel the mysteries and explore pyramids, ancient civilizations, and dinosaurs. Here we will discover and have a chance to piece together the histories of people and creatures before our time.

Your child will also travel through time, as we build and dig your own simulated site, learning about history through fossils, bones, pottery, glass and stone.

Not only will you learn about ancient history and discover tools of the past, you will become familiar with basic archaeological digging techniques and learn about the world that came before you.

### Week 4

07/06/10-07/09/10

Closed on 07/05/10

### Art Safari

Art is defined and created in many different ways across the world. But here we will specifically discover the art of Africa.

This week you will discover that being an artist in Africa can be a grand adventure. Here you will study the many different African pieces from woodworking to bead making. As you explore creativity through these cultural crafts, you will discover why they use diverse materials and get a chance to use them too!

By the end of the week you will be able to showcase your art by creating your very own art gallery. You will also be able to describe artistic pieces from a myriad of African cultures.

# Daily Schedule

## Week 5

07/12/10  
07/16/10

## Asia Adventure

Let's journey to China, Japan, South Korea, Vietnam and other destinations.

In each country we will survey the art, music, dance, and food that represent them. Each day we will study one or two Asian cultures and explore rich aspects of their history. It is through this we will discover the true diversity and beauty of Asia.

We will listen to samples of music, share stories, and taste foods from many cultures. By the end of the week children will be able to present many of their discoveries from Asia.

## Week 6

07/19/10-  
07/23/10

## GLO's Got Talent

Do you have dreams of fame and fortune? Wish you could be a Broadway star, a comedian, a dancer, a pop star, an actor, a model?

Well this week in camp you will have the chance to practice, perform, and showcase your talents, whatever they may be! Here you will get to dance to your favorite pop songs, write scripts, and perform in front of your peers.

In this fun fantasy week of camp, your wishes will come true as you spend a week living the life of super stardom! Let's roll out the red carpet...

# Daily Schedule

**Week 5**  
07/12/10-  
07/16/10

**Summer Olympics**

Every four years the world gets to watch its greatest athletes compete in the Summer Olympics, but why should we have to wait that long? So let's get into the spirit of competition and have our own GLO summer Olympics.

This week the fourth, fifth, and sixth graders will get to compete for fun in a host of track and field events as well as team sports including basketball, badminton, soccer and baseball.

Learn about some of the famous athletes, the sports that are played and how the Olympic games have changed from the first event in Athens to the present day. Go for the gold!

**Week 6**  
07/19/10-  
07/23/10

**Exploring Carbon Footprints**

Have you ever wondered what your carbon footprint is? Well now is your chance to find out!

This week you will be able to research and calculate your carbon footprint. Then once you have discovered it you will learn ways to reduce your impact on the environment. After you will participate in fun projects that are globally responsible.

You can make a difference for the Earth one step at a time!

## AM EXTENDED CARE

7:00 - 9:00am

There will be children's activities such as board games and puzzles. There will also be books and music for the children who need some peace and quiet. In addition, breakfast is offered during this period of time.

## MORNING CIRCLE

9:00 - 9:30am

What a fun way for us to start the day! Children from all grades will come together to give a start to the day. Here we will sing songs, play group games, and talk about the excitement that is in store for us.

## MORNING MAGIC

9:35 - 12:00 noon

These classes are created with an integrated curriculum that is appropriate for children's varied learning styles and interests. These interests are separated into Zones: Technology & Science, Arts & Creativity, Sports & Recreation, Fantasy, and Health & Lifestyle. Each week will bring new classes filled with exciting challenges and adventures!
